

DREAMS AND REALITY

IN THE WORLD OF JOBS

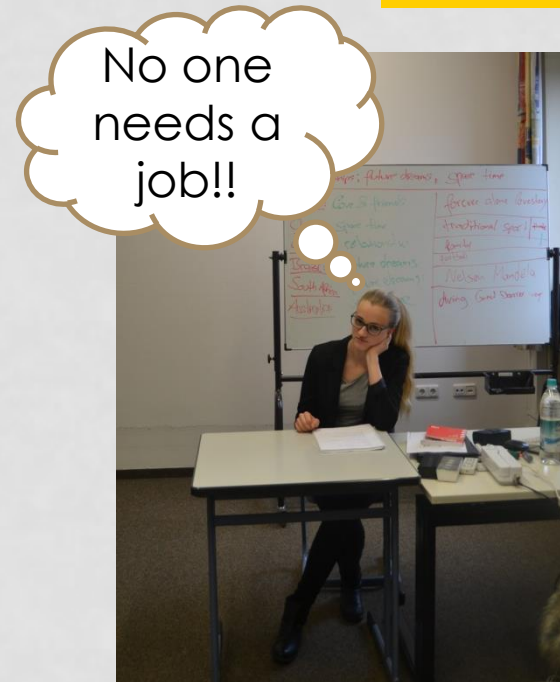

YOUTH UNEMPLOYMENT

Spain

Germany

Every teenager dreams of a safe job which is well paid. In countries like Spain, Greece or Portugal many young people are unemployed. In Germany, you have better chances to get a job.

WORKING CONDITIONS

Ethiopia

Austria

Young people are dreaming, that they can make a living with their job. With better equipment you can work faster and earn more money.

WEALTH

Finland 

Poor

well off

rich

People think that when you are rich, your life is good.

Poor people want to be well off, well off people want to be rich and rich people want to be even richer.

What you have is never enough, you always want more.

WORKING ABROAD

Australia 

Young people dream about working abroad forever/for some time. Sometimes you get disappointed because your expectations differ from the reality in the jobs you do abroad.

IMMIGRANT WORKERS

Dreams

better
job

security,
money,
hope

to be
accepted

better
chances
for children

IMMIGRANT WORKERS

Reality 1

I'm so lonely!!

Reality 2

Sometimes your dreams don't become true, even though you try. But luckily for some people integration works well and they become part of the society.
